### **Nemo finds a home at Women and Children's Hospital**

At the Variety Club/Delta Sonic Golf Classic in memory of Ed Pantano on Friday August 8, one of the items donated for the auction was a 6 foot stuffed Nemo fish. Dominic Susin of LaGrange Park, ILL was the lucky bidder and promptly announced that he wanted to donate it to the children at Women and Children's Hospital of Buffalo. The Child Life Department was contacted and they brought three children to happily accept the donation from Mr. Susin.
